FALL FLORAL SHOW A COLORFUL EVENT

By Alys Riley

Over 300 people from all over Santa Clara Valley and the Peninsula attended one of the most successful flower shows of the Campbell Garden Club. "Flowers Around the Clock" in a great variety of arrangements and colors for all occasions of the day and special holiday themes were shown. Winners in various classes were as follows:

Class 1—Club Arrangements, Las Jardieneres Garden Club of San Jose won the blue ribbon in this class with a table setting using brown and white as the main colors with an arrangement of gold and bronze mums on a copper platter, with two square candles of different heights in the back. ground.

Class II—Miniatures had three different arrangements. Mrs. Vera Ogilvie won first frize for her button arrangement; Mrs. E. B. Miller won a blue ribbon for her pillbox arrangement and Vera Ogilvie got another first for an all dry arrangement.

Class IV—had two winners for breakfast arrangements. Mrs. Mary Alice Blice won first for a breakfast arrangement in green and yellow and Mrs. E. R. Miller won first for her autumn breakfast arrangement using brown watsonia and persimmon leaves with brown mums in a shallow woven basket.

Class V — Luncheon arrangements had many interesting arrangements. Mrs. E. R. Miller won a blue ribbon for her brunch buffet arrangements consisting of cattails and bronzed magnolia leaves as a background for Deodara pine cones and orange and red mums in an antique brass bowl. Mrs. Ellen Knopf won first place for her men's luncheon buffet arrangement using lace rock and driftwood as a background with green succulents in an interesting arrangement.

Class VI—teatime arrangements had first place winners in three classes. Mrs. Knopf for her arrangement using pink to fuchsia and purple mums; Mrs. E. R. Miller with her arrangement using "that something in silver" and Mrs. Fred Vogler for her dessert bridge arrangement using all gray tones.

Class VII—had two types of black and white cocktail arrangements and Mrs. Ellen Knopf won first place for her arrangement in this class.

Class VIII — dinner arrangements had a variety of arrangements. Mrs. H. Binley won first place for her Thanksgiving arrangement. Mrs. E. R. Miller won first place for her barbecue arrangement featuring fruits and flowers. Mrs. H. Binley's "sweet dreams" arrangement won first place in that arrangement.

Numerous specimens of various classes of single blooms were shown, including mums, patented and non-patented roses, Polyanthus and dahlias.

Mrs. A. A. Higdon, flower show chairman, won first place for many of her single blooms in the various classes, including an orchid and air plant, also several potted plants.

Club members were gratifed at the large attendance of individuals and garden clubs from other parts of the Valley. Much of the success of the show was attriuted to the setting of the show which was larger than previous quarters, allowing the club to put on a larger show with a larger variety of arrangements, according to Mrs. Higdon, and they greatly appreciated the donation by the management of the Virginian Restaurant of their quarters for that day.

Cambrian Kiwanis Membership Up

Steve Jensen was chairman for the day at the regular Cambrian Park Kiwanis Club meeting yesterday noon at the Cambrian Park Methodist Church when John B. Massen, assistant city manager for San Jose representing the League of Women Voters of San Jose, spoke on "Loyaty and Security Programs".

Ray Fisher of Los Gatos, past Lieutenant Governor of Kiwanis Division 12, conducted the induction ceremony when the following new members were added to the group: Rev. Donald Albert, Lutheran minister at Christ Lutheran Church in Cambrian Park; Mac Morton, of Plaza Jewelers; Art Downing, local rancher, and Lee Diehl, prominent San Jose attorey.

ANNEX PETITION IS FILED; LAND SWAPS PROPOSED

A petition seeking annexation of seven acres in the vicinity of Kenneth avenue south from Budd avenue, known as Sunnybrook Gardens No. 2 subdivision was filed with the city council Monday and referred to the City Attorney for checking. The site would be crossed by the new San Tomas Boulevard and an interesting feature is that some of the property owners have agreed to a swap of lands so their holdings would all be on one or the other side of the proposed freeway.

Council introduced an ordinance setting plan lines of the proposed San Tomas boulevard, as was done by the County of Santa Clara and which prabably will be done by City of Santa Clara. It would run from a projection of Camden avenue with Winchester Road parallel with Old Orchard Road, straddling San Tomas Creek to a 150 foot width through to the northerly limits of the city and on to Bayshore highway.

A report from State Board of Equalization estimates city's apportionment of tax returns at $48,481 if 1c sales tax is imposed and based on $1,343,000 retail sales of record projected in past quarter. Council is not keen on setting up a local sales tax. Mayor Morton said retail sales are more than double this figure at Los Gatos, but others said that with new shop centers the retail sales will increase.

Ira Grim, postmaster in a letter stated the postoffice must discontinue practice of assigning house numbers and asked that the city arrange to have it done, the matter being referred to the planning commission.

Robert P. Compson, personnel consultant at San Jose State College, working toward a PhD, offered to conduct a gratuitous survey for Campbell on job analysis, which offer was accepted.

Council heard L. E. Means appeal in behalf of Campbell merchants for help of the street department in setting up the street decorations for the Christmas period, assuring the insurance had been taken out, the request being granted. Council took no action on Yellow Cab Company disclosure that non-licensed lines were picking up fares here, city attorney stating no evidence has been filed.

The state gave the city $60,497 apportionment in gas tax funds and the county deposited $1770.20 from city and state traffic finds and building fees. E. C. Merrill, city treasurer reported $52,531.41 in the treasury aside from these deposits.

W. L. Morser, building inspector reported permits issued in October for $526,050 construction costs from which $1976 in fees were collected. Council heard this was an average month, and that while permits were being issued by the county, the fees returned to the city ranged from $98 to $300 monthly.

LeRoy Black was authorized to buy 250 gallons of paint for street marking, and Junior Chamber of Commerce offered to stencil safety marker on Civilian Defense day, December 1.

Joseph Bonacina, city attorney, advised that six months must elapse before the city hall bond can be called again. Offer of California Prune and Apricot Growers Association to store the 1947 fire truck in shelter of their property without cost was accepted.

KINGSBURG KIWANIANS IN ANNUAL TREK TO CAMPBELL

That all annual records in automobile productions will be broken on or about November 15, was the prediction made Tuesday night by Dan McGowan, traffic manager for the Ford Motor Company plant in Milpitas in a talk before the Campbell Kiwanis Club in joint session with members of the Kingsburg club here. He said that there are today some 62,000,000 automobiles being used in the United States and that by 1965 there will be 81,000,000.

"This is the automobile age" he explained, adding, "At our Milpitas plant, production lines are maintained by a steady flow of new materials, rather than with stockpiles. In the last two months we have used from 20 to 30 planes to bring consignment of parts from the Detroit plant in order to keep production lines on schedule, a factor that is expensive only in transportation costs but not in respect that it tempers production."

The Kingsburg Kiwanis Club arrived by chartered bus after 160 miles of travel, and returned there after leaving Campbell at 9 P. M. This was the fourth exchange meeting with these clubs. There were 21 members, headed by Forrest Calrstrom, president, making the trip from the Fresno County raisin center, to Campbell, the Santa Clara Valley Prune center.

The Campbell Kiwanis quartet, C. P. Klassen, Herbert Neale, Howard Guilbert and Lloyd Nelson entertained as also did a musical trio, Jack Fischer, pianist, Norm Corvello, saxophone and Arthur Mayo, steel guitar.

Ethan Lanphear, president of the Campbell Kiwanis Club, presided.

CAMBRIAN PARK VOTES FOR BONDS, STATE AID

School District bond election will enable the area to take care of its building needs for the next three years at least, according to Superintendent Delos Bagby.

Ths $300,000 bond issue was approved by 919 votes for and 236 against. The $1,800,000 state aid had only 242 votes against it, with 894 voters approving the measure.

Supt. Bagby expressed himself as being most pleased with the better than 50% turnout, which is very good for an election of this type. He wishes to assure the community that the School Board will begin immediately to complete the Woodard Avenue School, which will house kindergarten through sixth grade. Steindorf school will have two kindergartens added, a health and administration wing.

The board plans on immediately workng on the obtaining of sites for a fifth and sixth school for the Cambrian district.

Mrs. Wanda Brown 37 E. Rosemary Lane, Campbell, local Girl Scout leader conducted the workshop in glass etching and T. L. Harris of Campbell, adult education instruction at Campbell H. S., conducted the basketry workshop.

300 BOYS COMING HERE TO FOOTBALL JAMBOREE

More than 300 boys in nine Campbell Grammar School district schools are to rally at Campbell Grammar School field on Friday afternoon, November 18 from 1 to 4 o'clock in the second annual District Football Jamboree.

District buses will pick up the boys at 12:45 P. M. and wll return them about 4:40 P. M. Ribbons are to be awarded winners by the Campbell Kiwanis Club in the A and B tourneys, the former being divided by approxmate strength into American and National Leagues. The B teams are divided from North to South. The total points of divisional teams will score toward league titles.

The game, known as two hand touch football will see each team 12 minutes against a team of the opposite division. Each team will play one quarter against a school of the opposite league. The league officials will be Bob Landreth, Bob Downey, Sam Lawson, Pete Fransich and Don Stevens. Play director will be Joe Stein. Only students through the sixth grade may participate.

In the National league, "A" teams are Cherry Lane, Dover, Monroe, Moorpark and Cypress. In the American league will be San Tomas, Hamilton 49ers, Quito, Rosemary and Hamilton Trojans. In the B league, Northern League will be Moorpark Bears, Moorpark Bruins, Monroe and Hamitlon, while in the Southern League will be Dover, Cherry Lane, San Tomas and Quito.

PLANNERS BLOCK PROPOSAL TO BOG STRUCTURAL WORK

With establishment of the building department in Campbell, with W. L. Morser as inspector, public health laws will be complied with as applications are made for new stores, eating places and other establishments, it was brought out at the planning commission meeting Thursday. Morser is to act as liaison official to see that these requirements are met, rather than to have the County Department of Public Health review and pass on each application, as proposed in a letter from Dr. W. Elwyn Turner, health officer.

Planners said it would bog down progress if too many departments try to screen these applications contending the building inspector is qualified to clear applications by making referral to other departments only when deemed critical.

The commission denied application of Bud Scheideman to rezone the southeast corner Virginia and Rincon avenues so as to set up a neighborhood shopping center. It was pointed out that all of the two and a half acres proposed for the center, was not in the city limits. Forrest Allen, representing applicant said the center would be set off from Campbell if and when the San Tomas freeway is built, and that the closest shopping area would be at San Tomas or the project at San Tomas Road and Campbell avenue. He said homeowners in the area had approved the store service.

Neighbors at the meeting however expressed a different viewpoint and said none had been contacted. Charles Quinn said he was against it because he wanted it kept residential and that it might be a traffic hazard to children attending Cherry Lane School. Ronald Pennington saw no benefit to be derived and pointed out it would deadhead traffic. Paul Thomas said it was planned residential and would be spot zoning if approved. Mrs. G. Whiteside said it might be a dangerous corner is converted to a shop center with traffic load increasing, while Gail Buell who said he owned property across the street from the proposed center said he had never been contacted about it and was not aware of the move until reading of it in the Campbell Press.

Commissioner Homer Hyde said only one acre was in the city limits. Commission, after hearing was closed, voted it would serve no public need, so by unanimous vote, rejected the application.

Ed Bucknall of 12400 San Tomas Road said he wanted to lease the northeast corner of San Tomas Road and West Campbell avenue to the Texaco Oil Company for a service station, so hearing was set for December 1 on his rezoning application.

The commission granted a permit to Calvary Baptist church to move a classroom building onto a lot now zoned M-1 on Railroad aveune. Planners approved a resolution on commercial parking based on ratio of 4-1 instead of 3-1 which would liberalize parking in existing business areas. Commissioner Sam O'Brien asked if the ordinance is intended to take care of the past or future business areas, and Nestor Barrett, planning consultont said both were considered, but that he was not the advocate of the measure.

Tideland Associated Oil seeking to put a modern oil station at Winchester Road and a projection of Hamilton avenue, offering setback to provide for Hamilton widening, had hearing set for December 1. Mark Thomas, city engineer said that State Division of Highways is interested in a reverse curve on Hamilton avenue at a point west of Central avenue and that the center line will be slightly changed. In a subdivision map of Camp and Sodano the plan lines west of Llewellyn avenue extend to the Hamilton avenue projection, indicated as of 60 foot width. Before approving the map, commissioners questioned Thomas on the merits of horizontal dry wells being used instead of holding pond, Thomas saying that both are makeshift and that he would only approve a horizontal dry well in a place where surface drainage is possible as in this instance.

SCHOO L HEADS STUDY GROWTH OF DISTRICTS

William C. Henley, Campbell School District Superintendent; C. E. Bradley, business manager of Campbell School District; Mrs. Helen Peterson, district coordinator; Mrs. Dorothy Royce, principal of Campbell Union Grammar School, and John Duncan, principal of Moorpark School, met with administrative personnel of San Mateo and Hayward school districts yesterday to discuss problems of expanding school districts and to get ideas on solving expansion problems facing the Campbell school district, which these school districts have already met.

The Campbell administrative group will meet with administrative personnel of San Lorenzo and Hayward school districts next Monday to discuss school expansion problems.

C. E. Bradley met with other school district business managers from the Bay Area at noon yesterday, to discuss certification of business manager requirements and to prepare a recommendation to be presented to the State Senate interim committee on education for approval.

Bradley, who is also chairman of the insurance committee for California public school business managers, will meet with the committee in San Mateo on Tuesday to work on recommendations for a manual on school insurance which will be forwarded to state headquarters.

Report Cards Talk

The club is planning a joint meetng with Union Home and School Club on December 8.

Scout Conference Held in Campbell

At a relationship conference Monday in Campbell Grammar School cafetorium, more than 100 boy scout leaders heard how the organization functions at the district level. It was the first conference of this nature held in Northern California.

The dinner meeting was presided over by John Duncan, district chairman. Four boys of whom two were explorers, one a scout and one a cub, gave the flag salute. Rev. Del Hollenberg gave the invocation.

Clark Bradley, Concil President spoke on the "Great Partnerhip" and Chester Bartlett, scout executive on council activities.

Main event was a series of 10-minute classes directed by the six operating committee chairmen, Dr. David Walworth on Health and Safety; Duane Beaubien on advancement; Harry Hunter on leadership training; Ed Kent on camping, Charlie Mitchell on district encampment and Laurance Hill on organizaton and extension.

EDITORIAL

CAMPBELL ON THE MARCH

The Campbell Chamber of Commerce, lacking only in having a president to administer its affairs, is again to provide street decorations for the Christmas season, always a wholsome gesture toward community good will. The organization worked hard a year ago to secure these street ornaments and now have them paid for. The utility companies have approved use of poles for placing the ornaments.

Like in other nearby cities, the city council agreed to have the public utilities department help set up, maintain and remove the ornaments.

There h ave been some rough times for the Campbell Chamber of Commerce mainly for lack of leadership from men having some leisure for this sort of civic service. But the organization is intact and ready to function with the least bit of encouragement. The Christmas season brings a common interest to the home town, a pride that it reflect the spirit and interests of its people.

"QUITE A COMBINATION"

Sylvia Porter, the syndicated financial columnist, forecasts "with little fear of error" that Christmas retail sales this year will run well ahead of last year for another all-time record. She cites various economic forces — rising employment, big paychecks, and so on — which she feels makes this inevitable. She says the retailers are "determined to use every device and promotion they can dream up to pull us into the stores." She then adds: "Eager customers lots of cash around, alert merchandisers — it's quite a combination of bullish forces indeed."

We have here one more instance of the amazing vigor of the American economy. And we have something more — a testimonial to how competition at the retail level makes that system click. If, for example, a retailer had a nice tight little monopoly, he wouldn't have to worry about advertising and promoting trade. The buying public would have to come to him, for want of any other place to go. And the situation would be much the same under a system where government rationed and fixed the prices of goods — there would be no effective way for one retailer to offer greater attractions than another. Under free competition, on the other hand, every retailer is at liberty to offer any inducement he can think of, and the one who does the best job gets the most trade.

This, of course, has a great bearing on profits and prices. Competition forces merchants to pare prices to the limit in order to make a reasonable overall profit through big volume at very small unit profits. Actually, competition is so stiff that many merchants find that their net profits are less now than in days when their total sales were nowhere near as big.

THE LADY SAID "NO"

Maybe time will tell whether or not Princess Margaret made the right decision when she gave up the idea of marrying Group Captain Peter Townsend. It could be that aside from the view of her church and obvious coolness of the royal family to the match Captain Townsend was not the man she should marry.

But it is apparent that while Britons generally may cheer her courage in making what apears to be a great sacrifice on her part many were nevertheless shocked that two innocent persons deeply in love should be the victims of tradition and tension.

It is our sincere hope that the lovely Margaret will find an acceptable young man before long to whom she can give her heart. But the list of acceptables is not very long. And there is then the greater problem of finding one among the acceptables acceptable to Margaret.

VETERANS' DAY

The observance of Veteran's Day on November 11 should serve to remind the American people of the debt they owe to the men who risked their lives and gave their lives so that this country might live in freedom.

In particular, the occasion should prompt citizens to give more thought to the veterans who are more or less permanently hospitalized. Theirs is the toughest plight of all.

About this time of the year there are appeals for funds to make Christmas for the military hospital patients a happier one. A few dollars given to this cause will help to provide not only presents for the boys but the greater satisfaction that they have not been forgotten.

When they have done so much for us we can well afford to do a little extra for them.

General Electric Company has taken options on a 1585-acre tract of land near Mission San Jose as a possible future site for a nuclear development facility.

Francis K. McCune, GE vice president in charge of the company's Atomic Products Division, said the long-term purpose of the development would be the application of atomic energy in a wide range of peaceful uses.

March of Dimes Scholarship To San Jose Girl

Miss Mary J. Hamachi of 169 South Tenth Street, San Jose, has been awarded a March of Dimes scholarship by the National Foundation for Infantile Paralysis, it was announced today by Joseph A. Chargin Jr., Santa Clara County Chapter Chairman.

The scholarship awarded Miss Hamachi was conferred upon recommendation of a national committee of leaders in the medical social work profession, and affords opportunity for graduate study in this field. She is studying at the University of California School of Social Welfare, Berkeley.

Medical Social workers, according to Chargin, play an important role in providing assistance to polio-stricken patients and their families. A total of 675 awards in this field have been made to date, but a critical shortage of medical social workers still exists, he declared.

In announcing this award, Chargin pointed out that the National Foundation's educational program also provides grants enabling schools and professional associates concerned with medical and associate medical personnel to maintain and improve their educational standards and services. The professional education program is directed by Dr. Catherine Worthingham.

23 New Scout Units Formed Since January

Scouting membership hit an all time high at the close of October with a total of 5,876 Cub Scouts, Boy Scouts and Explorers registered at Council office, declared Ellis Howard, Chairman of the Council Organization and Extension Committee. The growth chart shows a net increase of 168 boys during the month of October and a gain of 1,244 in membership over the same month a year ago.

These boys are organized in 164 different Cub Packs, Scout Troops and Explorer Units meeting in nearly every community and many rural areas of the Council. Since January 1, 1955, a total of 23 new Units have been organized with many more in the process of organization.

This growth has placed a tremendous load on the Council Headquarters' Staff to render service and give leadership and direction to the 2,250 volunteer adult leaders registered in the Council. Sufficient funds to take care of the demands on the part of boys to join Scouting must be secured during 1956, according to Howard or many boys will be denied the right to join Scouting.

JOYCE BEDAL IS CHARMING BRIDE OF JERRY ARMSTRONG

Joyce Bedal became the bride of Jerry Lee Armstrong in a ceremony at the Baptist Church on Lovell Avenue in Campbell in a four o'clock ceremony last Saturday, with Rev. James Warren officiating.

For the ceremony, Joyce chose a white brocaded street length gown, fashioned with a fitted waistline, sweetheart neckline and long sleeves, with a bolero jacket. Her fingertip length veil dropped from a white coronet, decorated with sequins. She wore an orchid corsage. She was given in marriage by her grandfather, Elmer Bedal of Los Gatos.

Joyce, daughter of Mrs. Ruby Bedal, 940 Munro Avenue, Campbell, attended Campbell Union High School. She is employed in San Jose. The groom, son of Mr. and Mrs. G. W. Armstrong, 841 Hazelwood Avenue, Campbell was graduated from Campbell Union High School. He is employed in Santa Clara.

The bride was attended by her matron of honor, Mrs. George A. Armstrong, sister-in-law of the groom, who wore a dark blue taffeta street length dress with pink accessories and wore a corsage of pink rosebuds. Best man was Albert Donald Armstrong, brother of the groom. Mrs. Ruby Bedal, mother of the bride, chose a light blue sharkskin suit for the wedding, and wore a white gardenia corsage. Mrs. G. W. Armstrong, mother of the groom, wore a black sharkskin suit with watermelon red accessories and a white gardenia corsage.

Following the ceremony, a reception was held for 80 friends and relatives of the couple in the church parlors. The three-tiered wedding cake was the centerpiece of the table decorated with white chrysanthemums.

The newly weds went to Carmel for their honeymoon. For her going-away ensemble, the bride was attired in a light blue suit with a white hat and gloves and black shoes. She wore her orchid corsage.

Following their wedding trip, the justweds will make their home on Hazel Avenue in Campbell.

Country Women Club Has Three New Members

Three new members were received into the Campbell Country Woman's Club at its November 7th meeting at the Clubhouse on Campbell Avenue. These women are Mrs. Catherne Fisher Mrs. A. N. Mirassou and Mrs. Gordon W. Daum.

Mrs. Anthony Jurras showed movies of India and New Guinea, which had been taken by her daughter, Mrs. Ronald Kennedy. Mrs. Kennedy lived in these countres for several years, and Mrs. Jurras re-told many personal experiences of her daughter.

Dan Knowles, music student at San Jose State College, sang several songs, among them "Who was Sylvia?", "Hindu Song", and "With a Song in My Heart".

The program committee included Mr. Jurras Mrs. O. C. Jensen, Mrs. G. K. Schrader, Mrs. R. Babcock, Mrs. E. Barron, and Mrs. C. E. Hancock.

New Members Named on GOP Committee

William L. Sheppard, San Jose, will represent the Third Supervisorial districa as a member of the Santa Clara County Republican Central Committee, which had its meeting this week. Mr. Sheppard replaces Arthur Wilbur who recently moved to Illinois.

Mrs. Audrey Fisher of Los Altos was elected to represent the Fifth Supervisorial district at this same meeting. Mrs. Fisher, a member of the Republican Women and an active precinct worker, replaces Paul I. Myers, who resigned to accept a municipal judgeship.

A resolution was passed by the committee commending Secretary of Agriculture Benson for his appointment of former Congressman Jack Z. Anderson of San Juan Bautista as his Liaison man with Congress.

Vestal Drake Is Home After Two Years in Sumatra

Vestal Drake of 1032 Theresa Avenue returned to Campbell October 12 after spending two years in Sumatra where he was employed with Standard Oil Company.

Since his return, he and Mrs. Drake took a two weeks trip to Greenlee, Reno, Salt Lake City, San Barnardino and Los Angeles, visiting friends and relatives. They plan to leave next week for a trip to Oregon to visit relatives, and following their return from Oregon, they will spend three weeks in Mexico.

Mrs. Drake will return to Sumatra with her husband in January, when he will resume his duties with the oil company.

It will be men's night at the Ada Rebekah lodge regular meeting Monday evening, when the men will be hosts for the evening and will prepare the program and refreshments at the I. O. O. F. in Campbell.

Moreland Studies Need for Fourth District School

With rising enrollment stemming from influx of new homes in the new La Ranchitas subdivision north of Campbell avenue between San Tomas Aquina and Saratoga Roads and other nearby developments, District Trustees of Moreland Schools have looked over a 23-acre site on the westerly limits of Campbell, to serve the seventh and 8th grades and include facilities for the district administration center. It would be the fourth school in the district and accommodate 1000 students.

Only Thursday William C. Bucknall School was opened at Bucknall and San Tomas Roads to end double sessions for all but kindergarten classes. There were 175 enrolled on Thursday with 50 more in kindergarten classes enrolled Monday.

There is to be a special education class starting about December 1 to add to the enrollment. Mrs. Gussie Baker, district superintendent says students on double session were shifted from El Quito Park School to Bucknall School.

Bazaar Will Revive Early Day Memories

Old settlers of Campbell who recall "Main Street" around the Gay Nineties era can get their trunks out of the attic, shake the moths out of their bustles, put on their high button shoes, hitch up old Dobbin and ride down to the Congregational Church Bazaar on Friday, November 18, and find that all their old finery will be right in style again on "Main Street", where they can shop in the country store with its cracker barrel, the floral shop, variety store, "Ye Antique Shoppe" with picture gallery, browse around the book store and stop at the Post Office.

Members and friends who have old clothes or can borrow them, will wear them to the Bazaar and enjoy the fun that will be provided for all ages.

An old organ will provide music during the lunch hour, afternoon tea and dinner hour. "Main Street's" cafe will begin serving lunch at 11:30 and afternoon tea and dinner from 5 to 7.

For the children, a merry-go-round will be set up outside the church. Inside there will be games, a fish pond and other amusements, all under competent adult supervision.

Nursery care will be provided with a registered nurse on call, where parents can leave their tots for a while and enjoy the many attractions and shop in the old-time stores.

CAMPBELL HIGH DEBATERS IN REGIONAL TOURNAMENT

Fresh from its successes in the Stanford Tourneys, The Campbell High School Debate Team won another important contest last Saturday, competing against a dozen other public and private high schools at Bellarmine College Preparatory School. Local sophomores, Everett Avila and Dennis O'Flyng defeated Roland Schwab and Bob Smith of Los Gatos High in the debate finals after some 180 other student orators and debators had been eliminated in the Northwestern California High School Speech Association's first annual Regional Tournament.

Other Campbell High students competing at Bellarmine included Pat McClenahan, Bryan Paddock, Carolina Bates, Stan Mattix, and Jim Hines. A group of almost 200 Northern California students debated the question, "Should the Federal Government guarantee higher education to qualified high school students through grants to colleges and universities?"

Orators were judged by the Toastmasters Club of San Jose, members of the Bellarmine School Faculty, representatives of the Bellarmine Parents Club, and Optimists from the Westside Club.

Most pleased was Campbell High Debate Advisor. Dennis Friend, for beating Bellarmine in debate is like defeating Notre Dame in football! Saturday was also his 26th birthday, so this was his "best present". The trophy won at Bellarmine was officially presented to the school in assemblies on Tuesday morning after proudly resting in the homes of Dennis O'Flyng and Everett Avila over the weekend!

Campbell High School's Debate Team will next compete in the Northern California Regionals at James Lick High School on Saturday, December 10th.

RED FEATHER REPORTS DUE ON THURSDAY

Volunteer solicitors in the Campbell Red Feather campaign are invited to attend a Red Feather progress report meeting in Hotel De Anza, San Jose, next Thursday noon, when the program will feature a "Salute to Neighbors". There will be a "no-host" luncheon.

Robert Lindsey, general campaign chairman, is inviting volunteer workers in all Central Santa Clara County Red Feather drives to this meeting and luncheon. Campbell is conducting a Red Feather appeal in conjunction with Community Chest campaigns in San Jose, Santa Clara, Milpitas, Cupertino and twenty neighboring communities in Central Santa Clara County.

The Campbell Red Feather campaign stood at $3,572, or 35.72 percent of its $10,000 goal, according to a report last Thursday from George B. Kemp, chairman.

Campbell schools division has completed solicitation and business and residential divisions are expected to complete their canvass within the week, Kemp said.

Area chairmen for residential division are Mesdames William J. Burns, 146 Alice Avenue; Mrs. Manly Nelson, 14917 Nelson Way; Berwyn Lee, 14377 Union Avenue; Wendell Gates, 11950 Vallejo Drive; Glenn C. McCoy, McCoy Avenue, and Don Thomson, 4140 Piper Drive.

The general campaign in the Central County area reached $287,907 last Thursday, or 70.07 percent of goal.

Commercial forest and alpine land produces more than 80 per cent of California's annual streamflow.

Catholic Social Service Elects

The constitution and nominating committee of the newly-formed Catholic Social Service Auxiliary has completed the final draft of the constitution and prepared a list of recommended candidates to serve as the first board of officers.

The committee, comprised of Mrs. Rose Van Dorn and Mrs. Joseph Menardi, San Jose; Mrs. Robert A. Kelly, Los Gatos; Mrs. Vladimir Fabris, Campbell; Mrs. Ted Mertens, Palo Alto, and Mrs. Alphons Gurries, Gilroy, will present the constitution and slate of officers for ratification by the members at the first regular meeting on Thursday, November 10th at 8 p. m. at Catholic Women's Center.

All Catholic women are eligible for membership in the Auxiliary, which has been formed to assist the staff of Catholic Social Service, a Red Feather agency, in non-technical activities of the agency.

To acquaint the members of the new auxiliary with some phases of the work, tours are being arranged for the members to visit Mr. St. Joseph's School For Girls in San Francisco, St. Vincent's School For Boys in San Rafael, and St. Mary of the Palms School For Girls in Mission San Jose. These schools comprise the basic institutional facilities of Catholic Social Service, for children.

Lee Brothers Manager Dies Of Meningitis

Funeral services were held Saturday at Eureka for Rudy Pasalich, 33, manager of Lee Bros. Market Los Gatos who was stricken with spinal meningitis October 30 and taken to O'Connor Hospital and placed in an isolation ward.

Pasalich had more than six year's service with Lee Bros. and was highly regarded by officers of the food chain. Three years ago he was promoted to manager of an Oakland unit of the organization.

In August, 1955, Pasalich was sent to Los Gatos to make plans for the opening and to manage the local unit. His efforts for the company brought thousands to the Grand Opening event here, which was hailed as a great success.

He was a resident of 780 Borden Rae Court, San Jose. He is survived by his widow, Melba; his mother, Mrs. Ljula Pasalich; and a brother, Steve Pasalich.

First Street, San Jose, California, unless prior to that date the sum of $880.53, as itemized below, is paid to the State Board of Equalization in satisfaction of the liability hereinafter mentioned:

Mack Flatbed, diesel engine number 49070 (replaced by diesel engine number 46349)

Said motor vehicle is subject to the lien of the tax imposed by said Use Fuel Tax Law, and was seized by the State Board of Equalization in order to obtain payment of delinquent taxes, interest and penalties imposed by said law on Gladstone Reed, Jr., a user of fuel within the meaning of Section 8608 of the Revenue and Taxation Code. The delinquent taxes, interest and penalties are as follows:

Taxes for the period 10-1-54 to 2-6-55	$682.60
Interest from 11-25-54 to 11-25-55	$ 39.17
Penalties for failure to pay tax	$ 68.26
Total taxes, interest and penalties	$790.03

Various costs have also been and will be incurred on account of the aforementioned seizure and proposed sale, these being:

Towing	$ 12.50
Storage	$ 38.00
Publication of Notice	$ 25.00
Other expense	$ 15.00
Total expenses	$ 90.50

The aforesaid motor vehicle is now stored at 1700 So. First Street, San Jose, California, subject to the order of the State Board of Equalization.

The right is hereby reserved to reject any bid at the aforementioned time and place which does not appear proper or advantageous to the State.

United Churches Observe World Community Day

The West Santa Clara Council of United Church Women observed World Community Day at the Faith Lutheran Church of Los Gatos on November 3rd.

Mrs. Walter Plackelman, President of the women society of the guest church, led the devotional program assisted by the guest pastor, Rev. D. L. Hansen, Rev. Smith, Cupertino Presbyterian Church and Mrs. Fred Paul, organist and soloist of the guest church.

The Rev, Hansen installed the following officers:

President, Miss Louise Hayes, Los Gatos Presbyterian.

First vice-president, Mrs. R. F. Aitken, Saratoga Federated

Second vice-president, Mrs. Carl Field, Campbell Congregational

Secretary, Mrs. V. L. Ulrich, Los Gatos Faith Lutheran

Treasurer, Miss Ruth Beckwith, Saratoga Federated

Publicity, Mrs. H. E. Burke, Campbell Methodist.

Mrs. Grace Weinberg of Cupertino Union Church read a paper on the work of the Food and Agricultural Organization of the United Nations in helping relieve and instruct the undernourished peoples of the world. The collection and generous donation of clothing received at this meeting went to assist in this cause.

After adjournment the ladies of the guest church served a delightful tea, Miss Louise Hayes of Los Gatos and Mrs. Chris Anderson of Cupertino pouring.

Fellowship Meet At Church Sunday

A Fellowship potluck dinner will be held in the parlors of the Congregational Church Sunday evening at 5:30, followed by a picture entitled "The Secret of the Gift".

Parents are requested to give their children their evening meal before arriving because the program will be of interest to adults only Special entertainment will be provided for children in the church basement.

Arrangements have been made to provide a hostess for each table. Mrs. Carl Field is chairman of the hostess committee and Mrs. Anna Hedegard is chairman for arrangements.

Parent Education At San Tomas PTA

Parent education will be the topic discussed and the subject of a skit to be presented at the San Tomas P. T. A. meeting next Tuesday evening.

Following the regular meeting, presided over by Mrs. Ray Snyder, president, a varied program based on parent education will be presented.

Mrs. Walter Hancock, chairman of the Parent Education group, will announce the program.

"Breakfast Dilemma" a situation skit, will bring out the problems of children in three different age groups in a breakfast table scene and show solutions worked out in each problem.

Mrs. M. W. Young, co-chairman of the Parent Education group, will report on the Parent Education library now available to parents in the school.

"Sex Education in the Home" the current topic being studied by the group, will be reported on by Mrs. Walter Hancock.

Miss Kathleen Hillberg's fourth graders will present an educational skit, followed by a few Thanksgiving songs.

Fifth grade mothers will be hostesses for the evening and serve refreshments following the program.

CEE Win Streak Is Still Alive

The Campbell High Cee cagers extended their winning streak to seven games last Thursday, No-seven games last Thursday, as they soundly trounced the always tough Panthers of Santa Clara, 38-20, in a home game. This was the big one, and the victorious Bucs, who are undefeated in league play, now appear headed for the SCVAL championship. Ted Kanamoto and Dave LaBarbera, team sparkplugs, once again came through with respective point totals of 12 and 11 markers.

In the preliminary contest the Campbell Dees, no basketball slouches themselves, bested the Panthers in a defensive battle, 18-10. The Buc defense really tightened in the latter part of the game allowing only one point to Santa Clara in the entire second half. Eleven points scored by the Buccaneers in the third quarter made the difference, as they won their sixth out of their last seven games. Yasuda and Lujan led with point totals of 5 markers.

Long Beach Makes Token Offer of Tideland Funds

The public offer by the City of Long Beach, made last week, to impound $99,620,220 in State trust tidelands oil moneys is "too little, too late", charges Tom Dammann, Fallbrook rancher and acting executive director of the California Tidelands Protective Association.

"Althought this belated offer thoroughly vindicates the public position of the California Tidelands Protective Association and the many people throughout the state who support it, it should be refused", Dammann states.

"The facts of this amazing case are finally coming to light.

"After four court decisions denying the Long Beach claim to ownership of the State trust tidelands millions, possibly billions, that city generously says now it will 'set aside' some $100,000,000 to 'protect' the State interests—whereas at this very minute a minimum of $130,000,000 at least is due and payable to the State under the California Supreme Court decision on the Mallon case.

"What about the past illegal expenditure of tidelands dry gas monies—aside from the oil monies—wholly belonging to the State, which Long Beach has already illegally spent on general municipal projects? What about such current expenditures as fees to attorneys, publicists, and lobbyists, retained and armed with fat expense accounts to fight legislation—such as the Allen bill—which would put teeth in the Supreme Court decisions? Long Beach has spent more than $100,000 for these propaganda purposes since April.

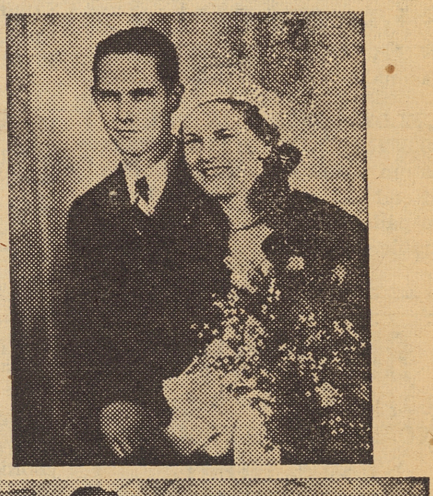
"Is the California taxpayer to eventually bear these costs out of his own pocket, simply to spare embarrassment for Long Beach politicians who have been repeatedly court-warned that they are using State trust monies illegally? Monies that belong to all of us!"

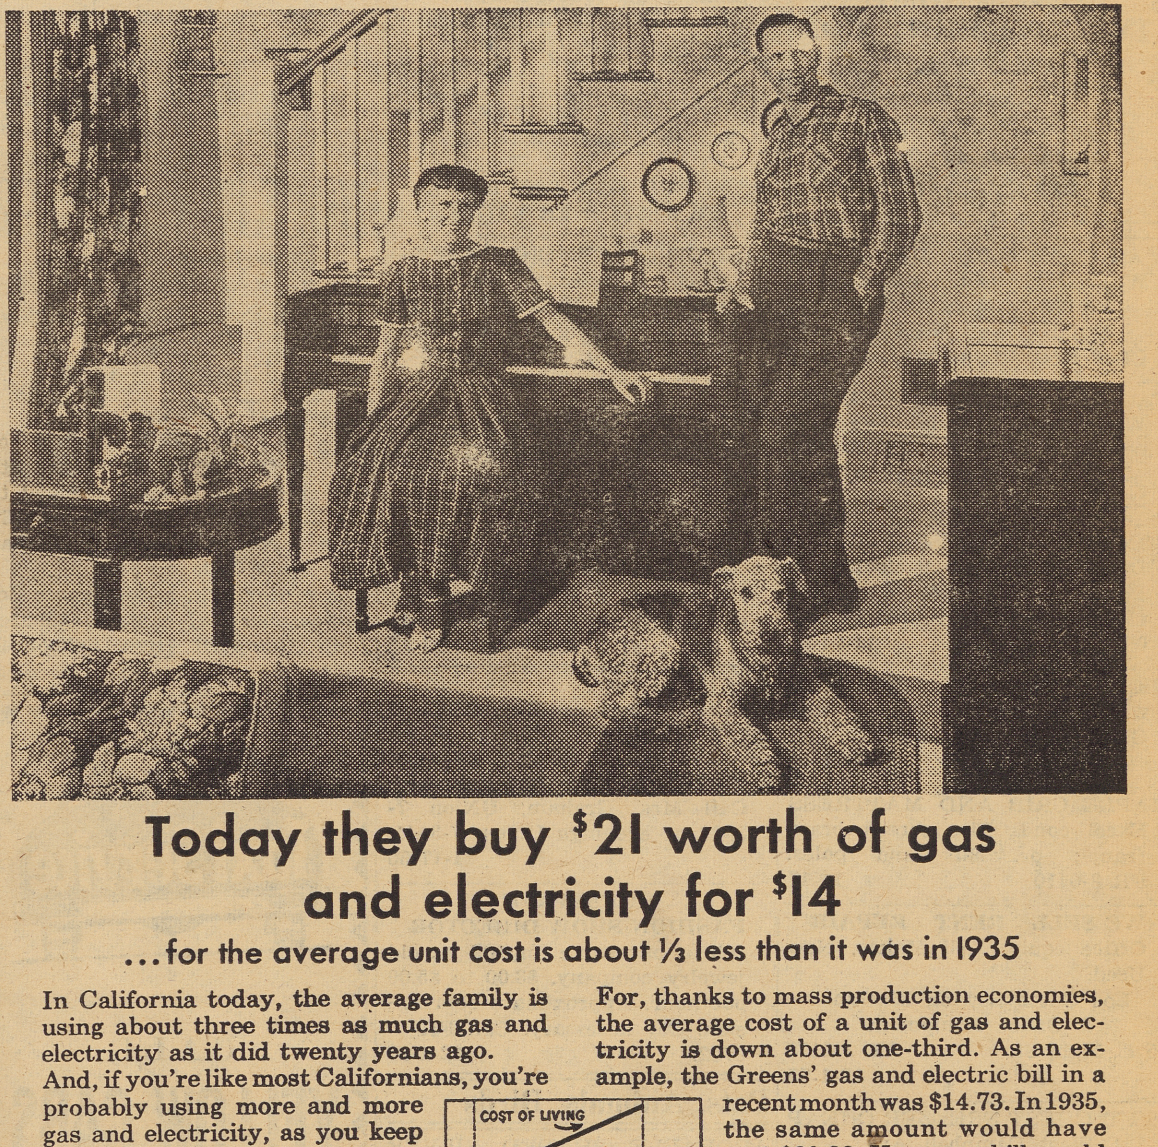
"The comingling of these various trust funds with municipal funds is one of the financial practices of the City of Long Beach, and it is bound to lead to confusion," Dammann explained. "But the fact remains that if there is any State trust money at all in any of the Long Beach funds whatsoever then those funds have a State Trust label on them and must be fully accounted for. That is the reason for requesting these injunctions".

Meet the Greens
who set up housekeeping
in Chico, in 1935

20 YEARS AGO—when Margaret and Carl Green were married in Chico, their first home had just five appliances: range, water heater, iron, toaster and radio.

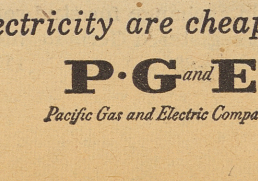
TODAY—their beautiful, spacious home is equipped with 29 modern appliances: refrigerator, range, exhaust fan, three radios, television, mixer, iron, ironer, hair dryer, toaster, four electric clocks, coffee maker, automatic washer, vacuum cleaner, floor polisher, waffle iron, air conditioner, gas furnace, water heater, roaster, razor, vibrator, sewing machine and a completely equipped power workshop.





Today they buy $21 worth of gas and electricity for $14
...for the average unit cost is about ⅓ less than it was in 1935

In California today, the average family is using about three times as much gas and electricity as it did twenty years ago. And, if you're like most Californians, you're probably using more and more gas and electricity, as you keep adding modern-living appliances and better lighting to your home. Because of this, your bill may be higher. But it is far lower than it would have been twenty years ago.



For, thanks to mass production economies, the average cost of a unit of gas and electricity is down about one-third. As an example, the Greens' gas and electric bill in a recent month was $14.73. In 1935, the same amount would have cost $20.88. Your own bill would probably show similar savings. Can you think of any other prices that are lower today than 20 years ago? *No wonder we say . . .*

Gas and Electricity are cheap in California!

Junior Choir To Be Organized At Methodist Church

An adult Bible Study group will hold its first session next Wednesday evening at the First Methodist Church, 173 East Campbell Ave. with the Rev. Herbert Neale as leader. This new group is the outgrowth of a very popular Parent's Class which met last year on Sundays. Now sessions will be held on the first and third Wednesday evenings of each month.

Another new group for the First Methodist Church will be a Junior Choir. Miss Katherine Williams, Director of Music and Mrs. Edith Van Rossom, organist will lead this new group of young people, with reheasals held at ten o'clock each Saturday morning, in the Church.

On Monday November 14th there will be a combined meeting of the Christian Education Commission and the Church School Board. Chairmen of these two groups, Mrs. Oliver Buehner and Howard Guilbert, will share the leadership of the meeting, assisted by Miss Etta Peoples, the Director of Christian Education. Dessert at 7:30 with a period of fellowship will open the evening's program, which will include planning, inspiration and instruction for all Commission members, Church School staff and leaders of Youth Groups.

Dr. Marian Bird of San Jose State College, and Mrs. Bird will be the speakers at the potluck dinner meeting of the Tandem Club on Friday Nov. 11th at seven o'clock. They have a family of four young people and are ably qualified to discuss "The Christian Family" which is their subject. They extend an invitation to couples of the church and community to participate in this interesting meeting and social time.

An election of the Christian Adventure group was held at their meeting Sunday evening held at the Strong residence on Emerald Way. New officers are the following: President, Gary Barnett; vice president, Karen Nelson; secretary, Sharon Strong, treasurer, Charles Jackson; representatives from morning classes Craig Morton, Ronnie Nelson, Bette Bergthold and Joan Koester.

U. C. MAY TAKE OVER OLD S. F. CAMPUS

University of California business executives are studying a plan whereby the Extension Division located in San Francisco would occupy the abandoned campus of the San Francisco State College.

Recently the old campus, totaling 225,097 square feet, was offered for sale by the State at a minimum price of $450,000, but there were no bidders. The College moved to a new campus early this year.

UC's Extension Division, located at 50 Powell St. and 140 Montgomery St., are said to be badly overcrowded. By using the Old State College campus additional classroom space and parking facilities would be provided. No funds are involved in the transaction, it was said.

If the proposal is approved by the business executives, it will be presented to the UC Regents

BUCS VS LICK TOMORROW SCVAL UPSETS EXPECTED

By Steve Dunn

In featured pigskin action this Friday the Campbell High Buccaneers travel to James Lick to take on a favored Comet team, who tied mighty Bellarmine last Friday, 27-27, and who currently share top spot in the SCVAL with the Fremont Indians. Both teams have 4-0 records. The Bucs are close behind with a 2-1 record. These three teams are now the main contenders for the title. Fremont seems to have the inside track, for James Lick, in its last two league games, must face both the Bucs and the Indians.

Starring last Friday for the Comets were her two prize scatbacks, Larry Fisher and Larry Helmhout. Fisher scored TDs on runs of 89 and 90 yards, while Helmhout ran 88 yards for another six points. The passing of quarterback Chon Gallegos, another constant threat, accounted for the other touchdown.

Another important game found the fighting Eagles of Mountain View almost upsetting the Fremont Indians. At one time the Eagles commanded a 12-6 lead. However, Indian quarterback Nelson Dake rolled 22 yards for a touchdown with three minutes to play, as Fremont pulled the game out of the fire, 18-12.

In remaining tilts last Friday, Santa Clara Panthers dumped Washington, 20-7, Los Gatos was whitewashed by the Hollister Haybalers, 0-21, and the Buc game with the S. F. Poly reserve was cancelled.

Tomorrow many eyes will be on the Los Gatos-Fremont game. If history repeats itself the Cats will upset the Indians again, as they did last year. The Bucs will have their hands full with James Lick. However, an upset is very possible, since the boys will be up for this crucial game. Provided they win the Buccaneers will have a fair chance to share the league crown.

Cross Country Teams in SCVAL Run at Stanford.

The SCVAL cross-country finals held last Thursday, at the Stanford golf course, was represented by Campbell, James Lick, Fremont, Los Gatos, Santa Clara and Washington High school. Two races were run, Varsity and Junior Varsity. In both races the Bucs were credited with third ranking. This record takes an added luster when it is considered that this the first year of cross-country at Campbell.

In the Varsity event the Buccaneers were paced by Greg Hoffman, who ran the two mile course in the good time of 11:30. The other Bucs to score team points were Ron Reeder, 11:51, Marv Castle, 11:52, Gary Foote 12:05 and Conrad Kersey, 12:07. The last two members of the seven man team were Tom Goulding and Dick Tuttle. The point total of the Bucs was 74 points, while James Lick had the winning total of 31 points. Fremont took second with 48.

In the Junior Varsity race Campbell reduced its number of points to 65. However, James Lick still squeezed in first, scoring only 46 points. Fremont again captured second, this time with 54 counters.

Bob Young led the Bucs, as he finished eighth out of 35 runners. His time was 12:29. Only two seconds behind him was Larry Tyrell who came in ninth. Other red and blue runners competing in this race were Warren Wood, Bob McGuire, Ken Sweet, Henri Zander, John Davis, Bob Longuevan, Les Hinz, and Dave Schrader

Square Dancers at San Tomas Meets

Square dancing for beginners, sponsored by San Tomas P. T. A., held its first session in the San Tomas school cafetorium last Monday evening, led by Mr. and Mrs. Kenneth Oburn. An enthusiastic group turned out for the first meeting and the group wil be open for newcomers until November 21. They will meet every Monday evening at 8:00 p. m.

BUC CAGERS DUMP FREMONT

The Campbell High C and D basketball squads administered a double loss to the Indians from Fremont, Tuesday, November 1. The games were played on the losers' floor.

The Dees, after losing their last game at Washington, assumed winning ways again, clobbering the Indians by a one sided score of 34-14. In all 15 boys played for the Bucs. Ben Lujan basketed three field goals and three free throws for a total of nine points to take high point honors. Fred Tashiro dropped in six.

The Cees wrapped up the action for the day, downing Fremont 38-25. Leading the Buc 120's to their sixth straight win was Ted Kanamoto who was high point man scoring 13 points.

FFA Attends Cow Palace

Saturday, the 29th day of October, 44 Campbell and Camden Future Farmers went to the Cow Palace in San Francisco at 8:00 A. M.

The best liked performance seemed to be the clown acts, while the Brahma bulls were being ridden, and the cowboys with their dogs. One clown had some trained ducks and a dog, which accompanied him in his act.

Also on the committee are Mrs. H. A. Weitzel and Mrs. Fred Smith.

FHA Group Wins Honor Chapter

Future Homemakers of America Chapter, represented by Sonja Benson, Jeanette Hiland, Frances Rodriques, Leora Scattinin, Carol Steinmetz, and Mrs. Adele Charlson, club advisor, went to Asilomar on October 28 through 30 for the state convention with 650 girls from California.

Saturday evening, Campbell's chapter presented the devotional with the girls wearing red corduroy skirts, white blouses, and white choir robes, each girl having a red rose. The devotional was centered with a large red and white world with a miniature house in the middle of it representing the many homes which the girls are from.

Later Saturday Campbell was one of three school to win honor chapter. Ellen Nunamaker and Jo Buccelato, graduates of 1955, were two of three girls that received the highest degree in the Future Homemakers of America, the state degree. This is an honor that very few girls attain.

Saturday afternoon Janice Buller, Edith Prescott, Arlene Bese, Virginia Bese and Mrs. A. Bese went to Asilomar for the day meetings and the program Saturday evening.

Variety Show Results

The annual Variety Show which took place last Thursday and Friday, Nov. 3 and 4, was attended by approximately 1333 students, faculty, parents and friends.

The show netted over a thousand dollars, which means it was the second largest Variety Show ever held at Campbell High; second only to last year's record breaking show "Hey There".

The money taken in at this show will be divided evenly beetween the P. T. A. and the Student Body. This should come to a sum close to five hundred dollars each after expenses.

MRS. BLASKMUN WINS PRIZE

Mrs. Blackmun, the temporary art teacher here at Campbell High, won first prize for an oil painting at the Los Gatos Art Association Show held recently in Los Gatos.

There were more than 500 entries.

Mrs. Winston won special mention for a watercolor.

It has been estimated a total of 490 bighorn sheep live in California's national forests.
